

Société d'Éducation Gareau (SEG) Youth Club / After-School Activities

The Société d'Éducation Gareau promotes the thriving of French education in our community through the Pionniers-de-Maillardville school. We offer sociocultural activities and services for our students so that they can enhance their francophone lives after school. Our Manager takes care of the students and the program directly after school and the parents only need to pick up their child or children at the end of the scheduled activities, which end between 5pm and 6pm. We offer 30 minutes of supervised quiet time for studying and homework, followed by 45 to 60 minutes of scheduled activities and some free time at the end.

The money we receive for the activities will be reinvested into the program and into initiatives of the SEG (the school's PAC).
